

3 UNDER 30

Following on the success of last year's 3 Under 30 competition, which attracted numerous submissions from artists around the world, DANIEL BLAU is pleased to announce the return of this prestigious competition for young photographers.

This is a unique opportunity to gain recognition through an internationally renowned gallery.

Three photographers will be selected based on the strengths of a submitted portfolio and accompanying statement.

The three winners will be exhibited in a group show organised and publicised by DANIEL BLAU. The exhibition will take place in Paris in November 2021 as part of the Photo-St-Germain festival.

The competition is open to submissions from May 1st – June 14th, 2021. Applicants will complete a short application followed by a postal submission of photographs.

All photographers aged 29 and under on the competition closing date of June 14th, 2021 are eligible to apply.

The winners will be announced on August 15th, 2021.
